

CIPFA Better Governance Forum

CIPFA Internal Audit Open Engagement

Webinar

28 June 2021 (afternoon)

Purpose

The webinar will provide the opportunity for internal auditors working in or for the public services to engage with a discussion on the current challenges for public bodies and for internal auditors following on from the impact of the COVID-19 pandemic.

Learning Outcomes

As a result of attending the webinar, delegates will have greater insight into the challenges facing public sector organisations and how internal auditors can provide essential assurance and support.

Who Will Benefit

The webinar will benefit internal auditors working in or for public sector organisations.

Programme

13:00 – 13:30

Join the webinar

13:30 – 14:00

Diana Melville CIPFA

This event is free and open to internal auditors in the public services. Please see the full programme of events making up the [Summer Internal Audit Update](#) and book your place.

CIPFA Sustainability Policy

CIPFA is delivering all of our training courses, workshops and seminars in accordance with our sustainability strategy. We do not provide hardcopy course materials to delegates and these are now distributed by email in advance of the event. We are striving to reduce our carbon footprint in every way that we can, and we hope that we can count on your support.
