Subject: Feedback statement on the 2022/23 Code

Purpose

The purpose of this report is to approve the Feedback statement on the 2022/23 Code

Report

- 1.1 This report presents a draft feedback statement on the 2022/23 Code for approval and publication on the CIPFA LASAAC webpages.

Recommendations

The Board is invited to approve the draft Feedback Statement on the 2022/23 Code of Practice consultation for publication on the CIPFA LASAAC webpages

2. CIPFA LASAAC Terms of Reference

2.1 A draft feedback statement is provided at CL 10 03 23B

2.2 Normally this would have been provided in line with the publication of the Code itself. In practice this was not possible because of resource commitments required for the exceptional consultation *Emergency proposals for an update of the 2021/22 Code of Practice on Local Authority Accounting in the United Kingdom and the 2022/23 Code* and the subsequent *Urgent consultation on temporary changes to the code to resolve infrastructure assets reporting issues*. Differently formatted feedback was provided for those emergency consultations.
